Pastor Larry Miles, you have first hand knowledge of the hand-picked position of Chaplain Mitchell on Memorial Unit. The intentional oppression of the Spanish speaking/Latin-X people was your idea, and your tactic might have worked had I not educated the masses on state corruption. Chaplain Mitchell has violated our constitutional rights by discriminating on only Spanish services. Without notice, we will be reporting this by radio on multiple-radio stations across the country to show how "TBCJ" uses both inmates and officers against each other like pawns in chess. "TBCJ" is the prime suspect in all deaths in "TDCJ" both on inmates and officers. The slavecatcher policy you created was in fact created long ago, and it's disgraceful to people of color -- all emancipated, if you are blinded by your share in the slaveholding market? We want our "Spanish services" not only back online, but better than ever, with "equal protection clause" and "first amendment clause" at the foundation of it all. Refer to: UNITED STATES DISTRICT COURT - Southern District - GALVESTON DIVISION - Honorable Judge JEFFEREY V. BROWN - civil ACTION # 3:22-CV-00052. I have personally reported this to state representatives and you will be contacted by one soon. I have filed grievance on MS. Mitchell / RISK MANAGEMENT - MS. HOWARD for conspiring/discrimination. I am including you on to our class-action as co-conspirator to intentionally oppress the Spanish/Latin-X worshipping Committee For Christ. Thank you for your time.
